## TREATMENT AND CARE AS ALTERNATIVES TO CONVICTION OR PUNISHMENT FOR PEOPLE WITH DRUG USE DISORDERS IN CONTACT WITH THE CRIMINAL JUSTICE SYSTEM

This course provides an introduction for policymakers, health and justice practitioners and all those interested to learn about options to divert people with drug use disorders in contact with the criminal justice system for offenses of a minor nature to evidence-based treatment and care.

[elearningunodc.org](https://elearning.unodc.org)

The objectives of this 60 min. course is to deepen the understanding of reasons for providing treatment and care as an alternative to people with drug use disorders in contact with the criminal justice system, as well as the existing relevant international norms and standards that support this approach. Examples and experiences from different countries will allow learners to consider how to apply this approach in their settings.
